**Squeeze Editor Replaced!**

Due to members clamoring for a better looking publisher of the Fresh Squeeze, next week the current monarch of the media, Terry Wysocki will pass the publishing duties to Mary Jackson, who has gullibly accepted the honor. The deposed scribe stated "Although it has been a privilege to purvey the inside scoops that have transpired

over the past couple years, the demanding duties of being President Elect Elect consume all my time and compromise the objectivity demanded for opinion-free reporting. I shall remain available as contributing editor and provide Ms. Jackson with the moral guidance needed to maintain the quality of the Squeeze." Ms. Jackson was unavailable for comment.

**Work Assignments:**

## The President's Gossip Page

Good Morning Fellow Rotarians!

Well I must say I feel good about our meeting last week! I know we need more of these informational meetings, and we will. It was good to see some faces we have not seen in a while. I am working on compiling more information, and will have an agenda set for the next meeting, so we can focus on some specific ideas. I think this is healthy to have open discussions.

Now to share with you about my weekend at Primm Nev. at the 5300 District's President Retreat. We met Friday evening for fellowship, and then dinner, and then more fellowship. On Saturday, we had meetings from 9:00 a. m. to 5:00 p.m. with a lunch break. District Governor Roy M. York opened the meeting with a few remarks about some changes regarding awards. He is doing away with the Best Club Award; he says every club in district 5300 is the "best club"! Also, we have new forms for district awards; I am told they are simpler, so we will be looking at them to see what may fit for our club. The first session was about membership, and I have some good information to give to Owen King who has been working on membership. Then ideas were shared about fund raisers, and we finished up the day learning about matching grants. So if I thought that the next 5 months I was going to just slid down hill, I was wrong! I am pumped up and ready to tackle some of these issues. It was a great weekend and a wonderful opportunity to network with other Presidents in our District. I must say there is a lot being done in Rotary. We also shared what each club is doing for the Centennial 100 years of Rotary. Some very impressive projects. Remember our project is park benches in the down town area. As soon as we get our benches we will be notifying you for your help to assemble them, and then get them in place.

If anyone is interested in any of these issues, please feel free to contact me, or come to our Board of Directors meeting on Feb. 9<sup>th</sup>.

— Judy

## Today's Program:

Today's speaker will be Superior Court Commissioner **Harold Mulville**. He will be speaking about the West Covina Drug Court initiated by Prop 36.

## Attendance Report!

Ok, you slackers, we warned you! Our tough investigative staff has obtained internal documents that reveal the year-to-date attendance record (or lack of) for this fine assemblage. Hopefully your name is high on the list, otherwise show up more often and complain about this frank, intrusive, expose of the club's underbelly.

## Last Groaner Joke of the Week:

There once was a lady who was tired of living alone. So she put an ad in the paper which outlined her requirements. She wanted a man who 1) would treat her nicely, 2) wouldn't run away from her, and 3) would be good in bed. Then, one day, she heard the doorbell ring. She answered it, and there on the front porch was a man in a wheel chair who didn't have any arms or legs.

"I'm here about your ad in the paper. As you can see, I have no arms so I can't beat you, and no legs so I can't run away from you" said the man.

"Yes, but are you good in bed?", she asked.

He replied, "How do you think I rang the doorbell?"
